SKILLS

- HTML,CSS,JS
- React js
- Angular js
- Node js
- Figma
- Flutter Dart
- Git - Version control

OBJECTIVE

To utilize my education, capabilities, creative ideas, with a self- motivated and positive approach within an organization that will help my professional and personal skills.

PROFESSIONAL EXPERIENCE

Software Engineer - Luvid Technologies
01/2025 – present | Calicut, India

- Designing, developing, and maintaining scalable web applications using modern technologies and frameworks such as **React.js, Node.js**, and **MongoDB.**
- Writing clean, maintainable, and efficient code while adhering to best practices in **version control (Git), testing, and deployment**.
- Integrating **third-party APIs** and ensuring seamless **backend-frontend** communication through **RESTful** services.
- **Debugging, testing, and resolving performance issues** across various modules to enhance application functionality.

MERN STACK INTERN - Luminar Technolab
06/2024 – 12/2025 | Kochi, India

- Gained hands-on experience in full-stack web development using **MongoDB, Express.js, React.js, and Node.js (MERN Stack).**
- Developed and maintained **dynamic, responsive web application**s with a focus on **performance and scalability**.
- Implemented reusable components and responsive UI designs using **React and Bootstrap/Tailwind CSS.**

Flutter Developer - Ralfiz Technologies
11/2023 – 04/2024 | Perinthalmanna, India

- Developed cross-platform mobile applications using **Flutter and Dart**, delivering high-performance apps for both Android and iOS platforms.
- Collaborated closely with UI/UX designers to implement clean, modern interfaces consistent with business requirements.
- Integrated **Firebase services (Authentication, Firestore, Cloud Messaging)** for real-time data handling and backend operations.

PROJECTS

PAEC
06/2025 – present
- Handled **frontend development** using React.js and ensured responsive UI.
- Performed **API integration** with backend services.
- Conducted **testing** for UI and functionality, resolving bugs.
- Maintained clean code and used **Git** for version control.

Stock Flow
05/2025 – 06/2025
- Handled **frontend development** using React.js and ensured responsive UI.
- Performed **API integration** with backend services.
- Conducted **testing** for UI and functionality, resolving bugs.
- Maintained clean code and used **Git** for version control.

Mistudiu
05/2025 – 05/2025
- Performed **form integration** for the booking system.
- Handled **frontend design** using HTML, CSS, and basic JavaScript for a clean and responsive layout.
- Conducted **manual testing** to ensure functionality, responsiveness, and form validation.

Pasunooti
03/2025 – 03/2025
- •Handled **frontend development** using HTML.
- Implemented a **booking system** to allow users to schedule appointments seamlessly.
- Ensured smooth **form validation** and interactive elements using **JavaScript/jQuery**.

Delta Destination
02/2025 – 03/2025
- Handled **frontend development** using React.js and ensured responsive UI.
- Designed and integrated the **Admin panel** with key functional components.
- Performed **API integration** with backend services.

EDUCATION

Bachelor of Computer Application
University of Calicut
08/2021 – 03/2024 | Puthananagadi, India
- Acquired a comprehensive foundation in core computer science concepts including **programming fundamentals, data structures, algorithms, object-oriented programming (OOP), and database management systems (DBMS)**.
- Gained practical knowledge in **software development life cycle (SDLC)**, web development, and mobile application development.
- Completed academic projects involving **C/C++, Java, HTML, CSS, JavaScript, and MySQL**.

HSE in Computer Science
Kerala State Board of Higher Secondary Education-India
08/2019 – 03/2021

S.S.L.C
State board of Secondary Education-India.
06/2018 – 03/2019

PERSONALITY TRAITS

- Self Confidence.
- Time Management
- Positive Attitude.
- Ability to work under pressure
- Quick Observer & Learner.
- Energetic and Hardworking.

DECLARATION

I hereby declare that the above-said information is true to the best of my knowledge and belief.
